Policies & Guidelines

Facility Rental

Weddings and private events with exclusive use of our banquet facility will be charged a facility rental fee based on the day of the week the event is being held.

Day of Week	Price
Sunday – Thursday	\$100
Friday-Saturday	\$250

Events of 130 people or more that require seating in our upper terrace will incur additional charges.

Day of Week	Price
Sunday-Thursday	\$500
Friday-Saturday	\$750

Rental is 6 hours from the starting time of the event. Additional charges may be added for events going over the allotted time frame. All events have a curfew of midnight.

Deposits/Contracts

A \$250 deposit is required to guarantee a date. Until the deposit and a signed Banquet Event Contract have been received, the room may be scheduled for another party.

This deposit is non-refundable, and will also act as a security deposit for the function. This deposit will be deducted from final bill less any damage done to the property. Damage includes, but is not limited to linens, grounds, bathrooms, or other property of BBC. Any clean up charges for confetti, or bodily functions will also be deducted from the security deposit, if necessary. We will not host an event without a signed contract and deposit. Only the person signing the contract is authorized to make changes to the contract or event, pre-event and/or during.

Payments

All payments must be made in person. We accept cash, money orders, and certified checks for payments, as well as all major credit cards. Any credit card payment will be subject to a 2% convenience fee. NO credit card payments will be accepted over the phone.

BBC must receive a payment of 25% of the estimated bill 3 months prior to the event. This is non-refundable, and applied to your final bill. If an event is planned within less than 3 months of the event date, a payment of 25% must be made at the time the event contract is signed, along with a \$250 deposit. Both Payment and deposit are non-refundable. Final balance payment is due at

conclusion of the event. For weddings, final payment must be received no less than 10 days prior to the event.

Pricing

The event price is guaranteed for one year once the deposit has been received. After one year, the pricing is subject to change based on need to meet current costs of food, beverage, labor costs, etc.

Tax and Gratuity

All food and beverage services are subject to 8% sales tax and 20% gratuity. All events held on a holiday weekend are subject to a 5% increase in gratuity.

Guarantees

The final number of guests must be specified 7 days prior to the event. It is the guest's responsibility to call or email in the final number. After this time the final number may not decrease. If serving a sit-down style event, the guaranteed counts for each meal must be submitted 10 days prior to the event. Final billing will be based on the final guaranteed number, or the actual number of guests (whichever is greater). If your party is less than 50 guests, you will be charged for 50 guests, as this is the minimum for our banquet facility at BBC. If hosting a served meal, color coded place cards are necessary. They must be provided by the client, and dropped off the day before the event. We reserve the right to substitute meals if the above is not provided. In the event your final numbers are not provided to us, final billing will be based on the estimated number of guests, or actual number of guests, whichever is greater. Once a contract is signed, you cannot decrease your price per person.

Policies & Guidelines Cont.

Cancellations

Cancellations with more than six months notice will not incur any additional charges, although your non refundable deposit will be retained. Clients canceling within 90 days of the event will lose their deposit, along with any additional payments that have been made. Events canceling within 10 business days will be charged an additional 25% of original contract price for expected revenue loss, and will lose prior payments that have been made.

In the event of severe weather or any other severe situation beyond Brickyard Brewing Co's control, the client agrees to reschedule the event in full at a mutually agreed date within one month of initial event.

Set Up/Time Frame

If the duration of your event surpasses the contracted time frame, additional charges may apply. We reserve the right not to extend alcohol service within or beyond your scheduled time frame.

Your event coordinator will allot you a time frame to set your party up. If you would like the BBC team to provide the set up of table and room decorations there will be a \$35 per hour labor charge. This must be requested at the time the event is booked. Banquet management will provide an estimate of hours required to decorate your event. However, you will be charged for the actual number of hours spent by staff to assist you with your event.

***BBC does not allow any decorations to be attached (tape, tacks, nails, etc) to the walls or ceilings in any area of the establishment. All decorations must be pre-approved and must be taken down at the end of your event. Absolutely NO confetti. Cleanup charges will be deducted from the security deposit for any event where confetti is used.

***Decorations must be removed immediately following the conclusion of the event unless, prior arrangements have been made with the banquet manager. BBC will not be responsible for any decorations not removed immediately following the event.

Food and Beverage

No food or beverage will be permitted from outside vendors, unless special permission is granted by our banquet manager. BBC reserves the right to limit and/or discontinue alcoholic beverage service to any patron or group due to liability and guest safety.
