### Deposits/Contracts

A \$250 deposit is required to guarantee a date. Until the deposit and a signed Banquet Event Contract have been received, the room may be scheduled for another party.

This deposit is non-refundable, and will also act as a security deposit for the function. This deposit will be deducted from final bill less any damage done to the property. Damage includes, but is not limited to linens, grounds, bathrooms, or other property of BBC. Any clean up charges for confetti, or bodily functions will also be deducted from the security deposit, if necessary. We will not host an event without a signed contract and deposit. Only the person signing the contract is authorized to make changes to the contract or event, pre-event and/or during.

## Policies & Guidelines Cont.

### Pricing

The event price is guaranteed for one year once the deposit has been received. After one year, the pricing is subject to change based on need to meet current costs of food, beverage, labor costs, etc.

### Tax and Gratuity

All food and beverage services are subject to 8% sales tax, 2% administrative fee and 20% gratuity. All events held on a holiday weekend are subject to a 5% increase in gratuity.

### Guarantees

The final number of guests must be specified 7 days prior to the event. It is the guest's responsibility to call or email in the final number. After this time the final number may not decrease. If serving a sit-down style event, the guaranteed counts for each meal must be submitted 10 days prior to the event. Final billing will be based on the final guaranteed number, or the actual number of guests (whichever is greater). If your party is less than 50 guests, you will be charged for 50 guests, as this is the minimum for our banquet facility at BBC. If hosting a served meal, color coded place cards are necessary. They must be provided by the client, and dropped off the day before the event. We reserve the right to substitute meals if the above is not provided. In the event your final numbers are not provided to us, final billing will be based on the estimated number of guests, or actual number of guests, whichever is greater. Once a contract is signed, you cannot decrease your price per person.
